

Culture and Engagement Toolkit

~ An overview of what you should have in place

We specialise in supporting small businesses with practical and strategic HR solutions. Our toolkits are designed to keep you compliant, and build a people-first culture.

Employee Engagement Surveys uncover insights that drive retention and performance.

Data Collection & Presentation of Results provide clear and actionable HR steps forward.

Recognition Programme Ideas keep morale high, avoiding poor motivation.

Company Culture and Wellbeing Policies set out clear standards for the way the company should be shaped, and the staff to be treated.

121 & PDR templates keep conversations focused and meaningful—ensuring performance and development stay on track.

Wellbeing Audits and Strategy Planning identify gaps and build a focused approach, to make sure you can truly support your people.

Workplace Training Packages are essential to build skills, boost confidence, and ensure your team is equipped to perform and grow.

L&D Projects align learning with business goals—driving growth, capability, and long-term success.
